

## Application: Associate Member

The Public Diplomacy Council is a nonprofit organization committed to the academic study, professional practice, and responsible advocacy of public diplomacy. Founded in 1988, the Council serves the community of public diplomacy practitioners, professors, students, writers and others interested in public diplomacy. As the leading non-governmental voice for public diplomacy in the United States, we organize activities and advocate for greater understanding and support of the profession and its work.

**Associate Membership** is open to currently employed Foreign Service and Civil Service employees engaged in public diplomacy and strategic communication at the U.S. Department of State and other federal agencies. Associate members pay a lower annual contribution in recognition that they neither take part in nor financially support the Council’s advocacy and lobbying activities.
