SKILLS

Language: French (Professional Working Proficiency)
Microsoft Office Suite, SPSS, Research Databases

PROFESSIONAL EXPERIENCE

Global Health Assurance Partnership – Program Associate Spring 2021– Present
• Supports a US government prime contractor with supply chain security assurance work in countries in Africa
• Tasked with compiling Technical and Cost Proposals for later awarded separate US government contract.
• Conducts supply chain, medicines quality, country and regional information, and health financing agency program and policy research
• Creates and edits reports and documents including our Code of Conduct, Anti-Fraud Policy, and the USAID mandated Environmental Waste Management Plan
• Coordinates with USAID contract executives, GHAP leadership, and GHAP team members

Office of the Director of National Intelligence – Lateral Innovation Division Intern Summer 2020
• Collaborated with team to serve government clients in day-to-day operations supporting ODNI's mission
• Enabled private/public sector partnerships across agencies through organizing and note-taking meetings
• Updated Intelligence, Science, & Technology Partnership (In-STeP) project database by compiling and synthesizing meeting information for widespread dissemination within the Intelligence Community (IC)

World Partnerships – Intern Summer 2019

St. Petersburg Police Department – Public Information Office Intern Summer 2019
• Served as a liaison between the Police Department and World Partnerships and the Global Ties U.S. program
• Created, edited, and proofed the template agenda for an international program initiated by Global Ties U.S. for Mexican law enforcement officials
• Researched and assessed local resources to aid in building current projects and winning future projects

LEADERSHIP EXPERIENCE

NCAA Division I Student-Athlete – Women's Cross Country and Track and Field Teams Fall 2017-Spring 2021
• Balanced 15 hours of practice/week plus competitions with taking 4-5 courses/semester and extracurriculars
• Mentored, conducted a needs assessment of, and explained new and difficult ideas to younger team members
• Developed and practiced growth mindset by actively participating in changing the team vocabulary and culture

Global Ties U.S. – Emerging Leaders Program Spring 2021-Fall 2021

- Chosen as 1 of 21 Emerging Leaders out of a competitive field of applicants
- Conducted research project on mending US transatlantic ties with its allies and held a discussion with my peers to be documented and shared
- Attended Global Ties U.S. National Meeting highlighting diplomacy, dialogue, and leadership
